Appleseed will be operating a Summer Camp program for the months of July and August 2023.

If you would like to register your child for the Appleseed Summer Camp program this year, please indicate the weeks you will need care for your child. Registration is by the week to maintain one cohort each week. There will be no part-week registrations available. A place in the summer camp program will be reserved for your child for that week. You will be billed based on the information given on this form - not on your child's actual attendance. A week's notice will be required for cancellation of care. Cancellations received with less than a week's notice will still require payment.

Please complete this form and return it to Appleseed to reserve your child's spot in Appleseed's Summer Camp program for July and August 2023.
